Ski Jumping and Nordic Combined Commission

Call for tenders to recruit a regional coach

The Ski Jumping/Nordic Combined committee in the Vosges (North East from France) is seeking for a permanent contract

a full-time coach from december 1, 2023

Responsible for the Vosges Regional Ski Jumping/Combined Team.

Main duties:

- To work as part of a team with the coach/development manager to organise training, courses and competitions for the regional group
- To programme, plan and supervise athletes' physical preparation and training sessions, both ski jumping and cross-country.
- Organise travel and coaching for athletes selected for training courses and competitions.
- Follows up on the equipment used for the activity.
- Taking part in and representing the regional committee Nordic Jumping and Combined Commission at the French federation technical meetings.

Desired skills:

- Holder of a degree in skiing (Alpine or Nordic)
- Good knowledge and experience of the ski jumping and Nordic combined disciplines (training programmes, individual athlete monitoring, preparation of specific equipment).
- Holder of a driving licence
- Demonstrate motivation, organisation and responsibility in their work.

Conditions of employment :

Full-time (35 hours a week annualised), permanent (CDI) job, technician group 3 of the national collective agreement for sport.
